Children in the Clinic

21 MDG

- **21 SW Policy:**

Children 8-years-old or less may not be left unsupervised on base at any time

- **Applies to 21 MDG**

- **Reschedule appointment**

- **Every effort will be made to avoid compromising patient care**

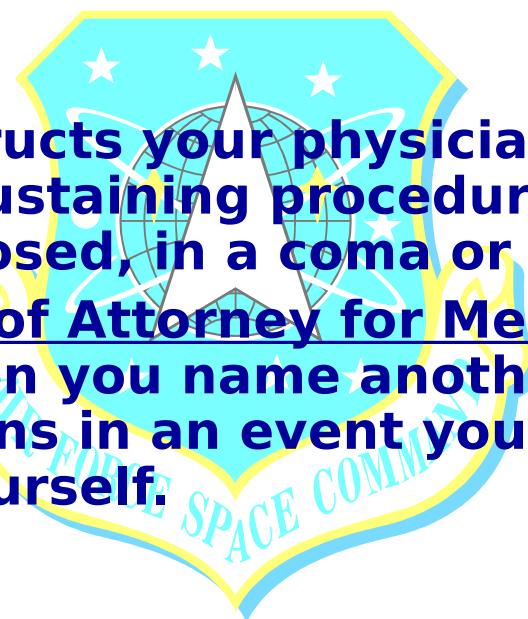

Advance Directives

- **Definition:**

“Documents written in advance of a serious illness which explain your choices about treatment for you”
- **Examples:**
 1. **Living Will** **instructs your physician to withhold or withdraw life-sustaining procedures if a terminal illness is diagnosed, in a coma or vegetative state**
 2. **Durable Power of Attorney for Medical Care** **documents when you name another person to make medical decisions in an event you are unable to make the decision yourself**
- **Base Legal Office**
 - **Has additional information on advanced directives**
 - **Can provide assistance in drafting the document**
